

School Nurse Resources

Build Your Data Knowledge!

NASN webinars are available **FREE** to ALL school nurses. Complete “Every Student Counts” webinars to gain skills and tips in data collection and data sharing.

Access at: <https://www.nasn.org/nasn/research/everystudentcounts/school-nurse-capacity-building/data-literacy-training-resources>

Create Your School’s Story - With Data!

NASN templates are available **FREE** to ALL school nurses! Add your data and customize templates - perfect for your year-end reports, school board presentations, and more.

Access at: <https://www.nasn.org/nasn/research/everystudentcounts/school-nurse-capacity-building/data-literacy-training-resources>

Join the SNOW Research Subcommittee!

Join a positive, proactive (and **FUN!**) group of school nurses from across Washington. Our projects focus on alignment with NASN research priorities, advancing research awareness and data usage, and promoting evidence-based school nurse practice.

For subcommittee information, please contact Cathy Meuret at cathyme@ncesd.org
